

# 1 Green Planet

850 SW 7<sup>th</sup> Street  
Renton, WA 98057

## CERTIFICATION OF DESTRUCTION

Guarantee of Environmental Compliance for Computer and Electronics Recycling

### RECYCLING

Materials received under this contract are destined for total recycling in accordance with EPA, OSHA, Federal, State, and County regulations.

### GUARANTEE

This statement guarantees that 1 Green Planet complies with all local, state, and federal regulations and laws pertaining to the disposal, recycling, and transport of computer and other electronic equipment.

### ENVIRONMENTAL PLEDGES

Furthermore, 1 Green Planet promises to make every reasonable effort to keep computer and electronic scrap out of landfills. Our pledge is to find avenues to re-use these materials whenever reasonably possible, unless specified for destruction and total recycling. Our goal is to be environmentally sustainable throughout our computer and electronic recycling process.

### TIMELINES

1 Green Planet will dispose of all equipment within three (3) months OR as regulations require (currently one year), whichever is of shorter duration.
